ABOUT US

Allied Construction is a dynamic and emerging civil contracting company, founded originally a decade ago with a vision to provide top-tier construction services that meet the evolving demands of the industry. Our foundation is built on the strength of over four decades of expertise and industry leadership provided by our parent company, M/s Lock N Key Constructions and PWD Civil Engineer & Contractors.

Leveraging the invaluable experience and best practices of our parent company. Allied Construction is committed to offering high-quality, time-bound project completion in the construction sector. Our team is equipped with advanced technologies, modern machinery and a strong workforce of professionally qualified engineers and supervisors, ensuring that we can deliver multi-disciplinary services under one client interface. This helps reduce costs, streamline complex projects and offer exceptional value to our clients.

Our company's core values are deeply rooted in the principles of excellence, safety and integrity. We prioritize stringent quality control standards and project management techniques to meet the highest levels of client satisfaction. We aim to build landmarks that will stand the test of time across Mumbai and its suburbs.

At Allied Construction, we are committed to making a benchmark in the construction industry by completing prestigious projects on schedule, adhering to quality parameters and tackling even the most challenging and fast-tracked projects without quality compromise. With a solid foundation and a future-oriented approach, we are poised to grow into a leading name in civil contracting industry.
